

Pastor's Recommendation Form

Dear Pastor,

International Baptist Church at Dumaguete (an independent, fundamental, Baptist church – www.ibcdumaguete.com) is now operating International Baptist Bible Institute at our church facilities in Brgy. Pulangtubig, Dumaguete City. Although the Bible institute is primarily for the purpose of training our own members, we have decided to avail ourselves to others who might benefit from the classes we are offering on Tuesday and Thursday evenings from 7:00 p.m. until 9:00 p.m. Our institute runs in 10-week sessions. We are not offering degrees at this time, simply a certificate of completion upon meeting all class requirements. These certificates will be convertible to college credits in the Bible college we plan to open at a later date.

_____, a member of your church, has requested acceptance into International Baptist Bible Institute. Because we believe in a high ethical standard, we are unwilling to consider this applicant without his/her pastor's recommendation. We are unapologetically Baptist in our doctrine and practice, and will teach the Bible and other courses from a Baptist (i.e. Biblical) viewpoint. We have no intention of trying to draw members away from other churches. We simply desire to teach and to train good, sound doctrine with the intent of training men and women of God who will be prepared to take the Gospel of our Lord Jesus Christ into all of the world.

If you are in favor of the above named applicant attending our Bible institute, please indicate your approval and recommendation by completing the information below and signing this form. This form must be submitted before we will consider the student's application valid. May God bless you as you serve Him in your ministry and we hope that our ministry of teaching will be a blessing to you and your ministry.
